File No. 31/2/2019-P-III (NE)

Dated: 04.06.2019

Subject:-Clarification on technical specifications raised during Open House Meeting on DD-Arunprabha.

This is with reference to queries raised on technical specifications by some of the outside producers during open house meeting held on 22nd May, 2019 at Doordarshan Directorate, New Delhi.

2. It is intimated that although production is required in HD, telecast may be in HD or SD. Hence, requirement of safe area in 4:3 aspect ratio frame size is essential and must be met for all content.
3. Submission of rough cuts for preview may be accepted in Hard disk drive in .MOV files so that it can be played with general purpose players available in Personal Computers such as VLC player or Windows Media Player.
4. Submission of rushes will also be as per terms of agreement i.e. on Professional Disk -BRD only.
5. If the conversion in the Blue Ray is required, it will be done by the producer from wherever this facility is available.
