WORLD ENVIRONMENT DAY ( 05<sup>TH</sup> JUNE)  
"PLASTIC FREE PREMISES"  
AN APPEAL

Dear Colleagues / Friends,

All may be aware that World Environment Day falls on 05<sup>th</sup> JUNE, and the theme for 2018 is "BEAT PLASTIC POLLUTION".

Needless to say, single use plastics are major hazards in terms of environment pollution, health hazards etc.

It is everyone's concern to contribute a bit towards making the environment Safe and Green, not only for him but also to the future generations.

Though lot of awareness has been created in the past for making clean and green environment, contribution from everyone towards realizing that goal is far from satisfactory.

DG:DD had desired that all DD Installations /premises to be made free from "SINGLE USE PLASTICS" and appealed to every one of you for

- Discontinuance of use of disposable plastic bottles in the premises.
- Discontinue the use of plastic /Polythene bags by way of using cloth/recycled paper bags.
- Discontinue use of disposable plastic plates, tumblers etc. completely from the premises.

Friends, CHARITY BEGINS AT HOME ! LET US ALL RESOLVE NOT to use single use plastics either in the office premises or in our dwelling areas.

Let us make a beginning by our small sacrifices / gestures to make our Planet GREEN.

Any initiative, until it becomes as a Mass Movement, be it a Clean-India Campaign / Green India Campaign, it cannot have a desired pace of change.

My appeal to everyone of you, for your active co-operation in realizing the above goals.

JAI HIND
